MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT: Impact of AF-12 Program on OXCART Branch

1. The first real impact on OXCART Branch occurred with the request for ZI training routes for the AF-12.
2. Coordination of this small project will take many hours of planning plus a probable trip to NORAD.
3. It is visualized that this is only the beginning of a series of support functions that could be levied on Headquarters.
4. Acceptance of these support functions would seriously dilute the effectiveness of an already critically undermanned branch.
5. Request a clear-cut policy be outlined as to responsibilities of OXCART branch for AF-12.
